

Good Morning,

I am sending this advisement to inform you that the residents of Buffalo Township can expect Tyler Technologies Field Data Collectors to visit all residential and agricultural properties starting the week of 6/15/26. I am providing our website link and information about our collectors which can be posted to your website or social media for visibility.

<https://empower.tylertech.com/Union-County-PA.html>

-Tyler Technologies Field Team will be wearing high visibility yellow vests with the company name and logo on the front and back of the vest

-Pictures of the Field Team and description of their vehicles can be found on our website

-Information about the reassessment project can also be found on our website

-The residential Field Team will only measure the exterior of the homes and outbuildings. They WILL NOT GO INSIDE HOMES.

-The local contact number is 570-524-3871.

Thank you.
